

Save big on dental costs

Aetna Dental® PPO Plans

There's a great way to save on dental care costs. See a dentist who participates in your preferred provider organization (PPO) dental plan. Only participating dentists offer special rates to Aetna members for covered care.* That means your costs are typically lower when you see a participating dentist.

You can save on non-covered services, too. Cosmetic teeth whitening and more. So start saving! See a dentist who participates in our dental network today.**
